Sudbury Dec. 8.

Mrs. Chapman — We have been request-
ed by Mrs Brooks of Concord to
make an effort to obtain aid for
the approaching Fair — we have com-
plied with her wishes — but have been un
successful — My mother and sisters being
the only ones that have an inclination to
do anything. I am sorry it is so — there
ought to be sufficient interest in Sudbury
to induce us to supply a table.

The articles which we have made are
to be placed on Concord table — and my
sister wishes me to inform you of her intention
of being at the Fair to attend to the disposal of them
Yours — Lucinda B. Browne
